COLONIE TOWN SUPERVISOR, PETER CRUMMEY

Welcome to the Town of Colonie. Founded in 1895, Colonie has a rich history and offers residents a friendly environment, highly rated schools and plenty of shopping opportunities. Within its 57 square miles, our Town maintains miles of trails, pocket parks, The Crossings Park, the Colonie Mohawk River Park and Pool, and the Colonie Golf Course. Our Town's 5.5-acre Pruyn House Cultural Center highlights the Dutch heritage of the area and features a historic home, barn and schoolhouse – a must see.

Widely recognized in upstate as a premiere location to live, work and raise a family, our Town was recently voted as “best suburb” and “best library” for the seventh year in a row in the 2022 Times Union “Best of the Capital Region.”

Born and raised in Colonie, I chose to make Colonie my lifelong home, raising five children who thrived and grew up safe and sound.

Colonie is also highly sought-after area for commerce. Employers recognize the value that our community offers to both customers and employees. Our strong business growth at the crossroads of the Capital Region provides stability and viability that breeds fiscal health and promotes new and existing enterprises.

Across the neighborhoods of Colonie, residents and visitors alike will find a welcoming and inclusive environment that makes us one of the Capital District's first-class destinations.

Welcome to The Crossings

COLONIE'S LARGEST PUBLIC PARK

Whether you are a town resident looking for an extraordinary setting in which to walk, bike, fly a kite or enjoy a relaxing picnic with friends or family, or a local company seeking a tranquil, yet convenient location to hold an important business meeting, The Crossings of Colonie has it all. Situated in the heart of Colonie just a stone's throw from the hustle and bustle of Wolf Road, the 130 acre passive park features a pond, acres of meadows, marshy wetlands and extensive wooded and wildflower areas - all of which are connected by 6.5 miles of multi use trails for walking, running, biking and in-line skating that wind across the natural landscape.

The Crossings of Colonie is a place that must be visited and explored to truly appreciate its peacefulness, diversity and beauty.
